

Author Query Form

Journal code: AOAS
Transmittal No.: 303

Dear Author,

During the preparation of your manuscript for typesetting, some questions have arisen. These are listed below. Please check your typeset proof carefully, respond to all queries on this form and return to mattsonpublishingservices@comcast.net or fax to 410-391-2542. Sending the list of your responses by email, please carefully indicate the page and line numbers and necessary changes.

All references that appear in the Reference section should be cited in text. The uncited references (if any) are marked with an <uncited> tag in the margins. Please cite these references or delete them. If you refer in text to a reference that is not listed in the Reference section, you will find a question mark in the text and a message of type <ref: label?> in the margins. Please add such references to the reference list.
